

Commercial Licensure

Current Situation

- 24 occupations rely on other occupational fee revenue to cover cost of statutory responsibilities
- Bureau of Corporations, Securities and Commercial Licensing has reduced staffing to live within restricted revenue – 96 in 2000; 72 today while new regulatory structures have been added
- The ability to meet statutory requirements is becoming more difficult.

Current Situation

- Commercial services boards requiring cross-subsidization on average:

Proprietary Schools	\$(108,329)	Community Planners	\$ (92,081)
Ocularists	\$ (96,449)	Foresters	\$ (91, 574)
		Interior Design	\$ (62, 260)

- On average, how much net revenue was collected per licensee?

Ocularists	\$ (6,889)	Proprietary Schools	\$ (223)
Community Planners	\$ (1,244)	Interior Design License	\$ (49)
Foresters	\$ (458)		

Current Trend Unsustainable

**Licensing and Regulation Fees
Revenues vs. Expenditures**
